

## *LICC GOALS FOR 2007-2010*

### **GOAL AREA III: Leadership**

**GOAL 1: Increase participation in the LICC to promote inclusion opportunities for children for children and families and collaboration among community resources.**

- ★ Extend invitations to area university and college programs (B-K, Early Childhood, Therapy Programs, Special Education, etc.) for exchanges of information
  - a. LICC members to make presentations on interagency knowledge and community resources to classes
  - b. University and college programs to present at a LICC meeting on their offerings and student internship and practicum possibilities
  
- ★ Facilitate an annual forum/meeting to focus on non-disability specific resources
  - a. Child care and family day care homes
  - b. Pediatric practices and health dept. clinics

**GOAL 2: Support advocacy and public awareness in all issues related to children birth to five and their families.**

- ★ Serve as a conduit for information to all LICC members from NCPC, NC ICC, Covenant for Children, etc.
- ★ Assist collegial agencies in providing resources to families on accessing subsidy, quality child care, and other services ( e.g., identify resources such as videos to play in pediatric offices, subsidy offices, health clinics, etc.)
- ★ Collaborate with partner organizations on the facilitation of statewide communication among all providers of birth to five services and families of children birth to five years of age
